7) ENQUIRIES ABOUT RESULT (EARs) AND APPEALS

a) Can learners enquire about results and appeal?

NEBOSH supports the right of learners to enquire about a result and to appeal against the outcome of that enquiry. We have procedures in place to ensure that such enquiries and appeals are dealt with in a thorough and equitable manner.

If you believe a result does not match your reasonable expectations, the appropriate Enquiry About Result (EAR) form must be completed and sent to NEBOSH within one calendar month of the date of issue of the result. The necessary forms, together with further information about EARs and Appeals procedures, can be found in the ['Policies and Procedures'](#) section of our website.

b) Is there a charge to make an EAR and to appeal?

Yes. However, if a learner has their unit result changed from a refer to a pass, or their qualification grade revised upwards as a result of an EAR, then the revised result will be issued and the enquiry fee along with any relevant re-registration fee already paid will be reimbursed.

c) How much does an EAR cost?

This depends on the type of EAR and the qualification you enquire about. There are two types of EAR:

Type 1 is a clerical check to ensure all parts of the script(s)/practical assessment/assignment/project have been marked and that marks have been totalled correctly.

Type 2 is a re-mark of script/s.

Manual re-mark of multiple choice examination answer sheet	-	£20 per unit
Type 1 EAR for all qualifications	-	£15 per unit
Type 2 EAR for Certificate level scripts (excluding HSL)	-	£75 per unit
Type 2 EAR for HSL	-	£50
Type 2 EAR for all Diploma level examination scripts	-	£75 per unit
Translation of examination scripts or practical application into English in preparation for Type 2 EAR	-	£POA
Type 2 EAR for Certificate level practical examinations	-	£75 per unit
Type 2 EAR for National/International Diploma assignments	-	£100 per assignment
Type 2 EAR for Environmental Diploma assignment	-	£75

d) What if I completed my examination script or practical application in a language other than English?

The practical application will need to be translated into English in order for us to conduct the EAR. An additional fee will be charged to cover the cost of translation.

Your examination script will already have been translated in order for it to be marked. The fee for translation of the script will only be charged if you are unhappy with the translation previously made, and want this to be checked as part of the EAR.

e) I have been through the EAR process, but I am not satisfied. How do I appeal?

If a learner remains dissatisfied following the EAR process they may request an appeal. There are two stages to the appeal process. If the learner remains dissatisfied following Appeal Stage 1, then they may choose to proceed to Appeal Stage 2. Please note that the appeals process does not automatically include a re-mark; it is a check to ensure that all processes were followed correctly.

Stage 2 - A review by a panel of senior NEBOSH staff and an individual independent of NEBOSH.
